

SOS Dataset Wishlist – number of votes in parenthesis

Shipping (8)

RT Day/Night Light & Terminator (5)

RT Fires (6)

RT Volcanoes & Historic Volcanoes (7)

TRMM Data on Hurricanes

Control Data – with Airplane (airflight)

More Animal Migration Data (4)

- white sharks, other shark species
- circumpolar migration sperm whale terns (1)
- sea turtle
- invasive species migration & significant impacts (1)
- pelagic fish
- arctic species (1)

Overlay animal migration routes and timing with seasons/snowcover (1)

Way to discuss possible change in timing of seasonal ques (& effects on animals) anomalies? Extent of snow cover? (1)

Human historical migration pattern (7)

Bug kill areas – historic patterns and as RL as possible (& way to discuss possible increase) (1)

Info on Pacific Garbage patch (7) and Atlantic patch (1)

Dates and locations of significant archeological finds – different cultures around globe (1)

RT oil spills (1)

Historic oil spills/maybe other types of catastrophic spills (2)

Fast update info (RT) on Earth processes that make news (tsunamis) (5)

Fishery Data – comment: NOAA-NMFS Juneau has it! Catch and at risk fisheries

Harmful Algal Blooms RT and historical to show increase (2)

Ocean Gyres/trash collection animation (2)

RT drought (2)

Shipwreck locations and dates (5)

Population Explosion – from early history to present (with histogram type dots, not colors) (7)

Fossil fuel use overtime (2)

RT Geo-located twitter stream on keywords

Cumulative seasonal tornados

Historic Voyages of Discovery-(pathways and dates sequentially) (3)

RT Black Carbon/Sulfates (2)

RT Aurora Activity (2)

RT Satellite Location/Paths (1)

Ocean Fill – and model of rising water levels with climate change (1)

Some indication of glacial/ice field advance vs. melt receding globally (2)

Historical tsunami locations/dates shown in animation and labels and scale and extent of influence (1)

RT Lightning (1)
